Corristin

The Senior Class Presents the 1972 CORRISTIN

SAINT ANTHONY HIGH SCHOOL Trenton, New Jersey 08610

TEN YEARS AGO...
There was a dream —
A dream of a school,
A school encompassing both spirit and challenge,
Challenge in attaining the highest...the best...
The best that yet remains a hope —
Hope for fulfilling the dream.
TEN YEARS AFTER...
There is a shadow —
A shadow of the dream partly realized,
Realized through accomplishments and growth,
Growth in the dedication and enthusiasm of student life,
Student life presented here in our yearbook —
Our yearbook, Ten Years After, a witness to the dream.

Diocesan Superintendent of Schools

The Most Reverend
MICHAEL P. McCORRISTIN, V.G., P.A.
Founder and Director of Saint Anthony High School

Dedicated Faculty Continue Work of Predecessors

SISTER M. JOHN JOSEPH, O.S.F.
Principal of Saint Anthony High School

"Happy are those who dream dreams and are ready to pay the price to make them come true."

Ten years ago when the need for a new Catholic high school arose, Monsignor Mc Corristin, paster of Saint Anthony Church, did not hesitate to undertake the burden of its becoming a reality. Thus many young people not only from Saint Anthony's but also from many other parishes as well were afforded the opportunity to receive a Catholic education. "For our youth to whom God gave tamorrow" was the motto upon which the school was built, and this has been its reason for existence since the beginning.

Ten years after, under the direction of Sister John Joseph, successor to our first principal Sister Mary Georgiana, together with a competent staff of sisters and lay teachers, Saint Anthony High School has continued to graw and ranks high among area schools. Its students have achieved success in many competitions both scholastic and extra-curricular, and its graduates have been recognized in colleges and in other fields of endeavor. We realize that a very large part of this is due to the encouragement, guidance, and inspiration of both administration and faculty. To them we awe and give our sincere thanks.

Sister John Joseph and Monsignor McCorristin officiale at the Induction of new members into the McCorristin Chapter of the National Honor Society.

"You give us much and know not that you give at all."

CLASSES

Ten Years After — More Students, More Teachers, More Electives, More Activities, More to Come

It would halp if you had the right page! Sinter Arlane demonstrates the technique of proper study habits to her Religion I class.

Ten years ago, September 5, 1962, Saint Anthony High School, though still not completed, opened its doors, sporting an enrollment of 438 freshmen and sophomores and nineteen faculty members. Now ten years later, a fully accredited SA has nearly tripled its enrollment, boasting 1292 students and a faculty of sixty-one. Almost 2,000 seniors have been graduated from this school

Starting with purely academic subjects that first year, the course offerings included English, mathematics, history, science, languages, and religion. However, through the years the curriculum has been expanded to provide preparation not only for the collegeminded but also for the non-college minded student

The academic course includes two types of biology, chemistry, and physics, several courses in mathematics, and four years of foreign languages. This year superior and high average seniors had an apportunity to elect on a semester basis from any four courses in English: creative writing, modern literature, drama, and poetry. Of course, all

students are required to follow the basic courses in religion, English, and history. Speed reading, via television, is also available to all.

Besides the traditional business subjects, courses in small business organization, salesmonship, and economics have been introduced. In 1969 a major change took place in the business curriculum with the beginning of the Co-operative Work Program, enabling seniors to divide their day between regular classes and work in the business world

Released time is also afforded those boys interested in mechanical skills as are sponsored by the Mercer County Vocational Schools, Girls are also released for training in cosmetology and practical nursing.

for students of artistic bend, fine art, commercial art, and music are provided. Also offered are courses in earth science, world cultures, home economics, mechanical drawing, radio and electricity, and driver education. Any teenager with the will to learn is bound to find satisfaction here.

"H's September already?" After a fun-filled wimmer. Antonites are welcomed book to school by this greeking in the display window.

Was that the first or second bell? Students hurry to their classes through the crowded halfs.

Toe had the equations on the test aren't as easy. Robin McCormack and Joseph Mannuti breeze through Algebra I problems. Mary Anna Bosler follows along at her desk

"The best way to get something done is to begin."

ACTIVITIES

Students witness the installation of the newly elected Student Council officers for the upcoming year, 1971-1972

Student Council officers: Vice-Propident Joseph Mattanelli Treasurer Elaine Kosztyu, Secretary Diane Germani and President John Benevengo

Senior class afficers Kathryn Gyonge, Gary McDonald, and Richard Cartidge make plans for the first Juniar-Senior Night, which was held December 10

'72 Council Places Accent on Action, Cooperation

To aid in the difficult task of administration and to train the potential leaders of the future has been the goal of the Student Council over the post ten years. One of the first organizations begun here, Student Council is made up of dedicated students, elected in the confidence of their peers. These students pledge themselves to give unselfishly of their time and energy to making student government work

The torch of service which had been handed down from preceding councils was accepted willingly by the Council of '71-'72. Led by President John Bencivengo and aided by faculty moderator Sister Ann Michele, several new systems and programs were initiated this year. Among those introduced are: the President's Report, employed by the president to communicate ideas, systems, and proposals to students and faculty, and the President's Confidential Letter, used to inform new leaders in regard to the Ideas and problems encountered by the out-going president in his term of office

Other programs included: an evaluation of Council officers, a program for student concern, an approval of school activities form, student identification cards, a demorit system for lateness, the formation of a new Student Council constitution, Freshman Night, and a proposed award for the class with the most school spirit

Presently Mr. John Gallagher, who was Student Council president '65-'66 and who is currently teaching here, is organizing an Alumni Association for graduates of SA. The Corristin Staff joins with faculty and students to wish him success in this endeavor.

As director of Saint Anthony High, Monugner McCorristle remeds the student body of their responsibility as representatives of a Catholic education

With student concern as his main objective, John Bensivengo addresses the student body for the first time as the newly elected president of the Student Counc.

"They Coloured My World With Love" on Junior

Images of tropicana were everywhere at our Howaiian Paradise

"No, you wear It" Mott Astace and Susan Craig jokingly argue over her floral wrap before the Junior Dance

"Watch the cop, not the camera," whispers Elaine Kosztyu to her escart, John Tomasulo.

Day, May 28, 1971 at Our Hawaiian Paradise

The envy of the night, Prince and Princess of the Junior Dance — Frank Cuiule and Kathleen Zaino.

After three years of eager anticipation, Junior Day finally arrived for the "new upperclassmen". The celebration of the Liturgy was conducted by Father Holup with the entire junior class participating. Afterwards the class rings were blessed and distributed to their proud owners. The turning of the rings then took place — 72 times in all. Soon, we were on our way to prepare for the night's festivities

An exotic "Hawaiian Paradise" set the atmosphere of our Junior Prom, held in the cafeteria. Each couple danced to a mixture of songs including "Colour My World", the high point of the prom and its theme. As the clack struck the magic hour of twelve, Frank Cuiule and Kathleen Zaino were crowned prince and princess, having been elected by those faculty members who served as chaperones.

Although the Senior Prom was held too late to be included in our yearbook, we still wish to remember . April 20, 1972 . . . Cedar Gardens Restaurant , mint green and silver . . . "Beginnings" . . .

The night is young for junior couples arriving at the Junior Dance. Resembny Tottorate and Robert Apgar, Maryanne Iolacti and Gerald Ksell, Stella Peliteri and Michael Pratico.

Dramatists Stage "The Mouse That Roared"; Revive

"Super Coop here (Rosle Cooper), from station WSSC, bringing detailed news of the present assault on the U.S

The secretary of state (Stave Szmatkor receives a phone call revealing the kidnopping of the nuclear physicist Professor Kakintz

Professor Kokintz presents the Q-bomb, America's answer to peace to General Snippet.

Former Activity

This year, the Drama Workshop presented on adapted version of The Mouse That Roared. In its extended form, the play presents a comical situation in which a tiny nation is copable of bribing the United States government

The insignificant medieval duchy of Grand Fenwick, having captured the great American nuclear physicist, Professor Kokintz and his Q-bamb, becomes the most powerful nation of the world and is able to tell the world "no war!"

The Mouse That Roared marked the re-birth of a drama club which saw its last great production three years ago when it collaborated with the music department in the performance of Finian's Rambow. This revival came about through the interest of Mr. Garrison and Mr. Krupa. Presently the Drama Club performs skits and entertainment at various hospitals and institutions usually at Christmas and in the spring.

Count Mountjay (Mark Stanton) and Dave Benter (James Ermi) ponder Gloriano's decision.

"I, Gloriana, queen of the Grand Fenwick, have reached my decision, War!"

General Snippet Yom Kennedy and the President Ed Cimbola are informed of Professor Kokintz's (Rich Crosby) new nuclear discovery.

Gloriane (Deborah Persica), defends her policies to Tully Boscom (Steve fanocenzi) and prepares her plot against the U.S.

Uniting the talents of the charal group and the band, Mr. Salerna continues the performance of the evening's festivities with "The Breeze and 1."

"Oliver," "Okłahoma" Highlight 1971 Spring Music Festival

The sounds of spring again invaded SA Auditorium the evenings of May 12, 13, and 14 with the presentation of the third annual Spring Music Festival. Under the direction of Mr. Pat Salerno, the band and charal group presented some of the best in music, representing composers from Ludwig Von Beethoven to Julie Styne.

The program opened with a concert band rendition of "West Side Story", selections from "Egmont", and "Light Cavalry". The choral group then joined with the band singing "The Breeze and I", "Autumn Leaves", and "Serenato". A mixed chorus favored the audience with "If Ever I Would Leave You", "Close To You", and "People". The ever popular William Tell Overture closed the first half of the program

Highlighting the second half were selections from Oliver and Oklahome, sung and dramatized by the charal groups, and the rendition of modern and jazz favorites by the stage band. A precision drill directed by Mr. William Donlen was performed by the marching units. The evening of music appropriately concluded with "The Lord's Prayer", sung by the charus accompanied by the band

Since 1966 Brown and Gold songsters and instrumentalists have presented a yearly musicale, including excellent performances of Oliver, Wildcat, and Finian's Rambow. The Christmas season has always afforded apportunity for a festive performance, and this year the band, including several alumni, entertained with a Night of Jazz, January 23

Too late to be included in the '72 Cornstin is this year's festival which is featuring selections from The Music Man and Fiddler on the Roof.

New uniforms and equipment are displayed proudly by the girls of the Color Guard

Marching Units Succeed In Various Competitions

"Forward march!" The marching teams, formerly known as the Band Front, consist of Color Guard, Drill Team, and Twirlers. These units comprise one of the newest and most successful extracurricular activities here.

The marching teams were organized by Mr. William Donlen in October '69. They have progressed to fine precision units and can be regarded as one of the best in the Trenton area. Through long, hard hours of practice, the girls have learned a great number of steps and equipment handling tricks to provide an interesting and varied show. The proof of their ability can be evidenced by their total of thirty-four trophy awards, of which twenty-three are first place. Three of these awards were won by the bond, another marching unit.

The marching units have participated in nine civic parades and, in October 1971 on the school campus, sponsored the first Marching Band Outdoor Competition ever held in the Trenton area. A capital area tournament was held here on March 26, of this year.

The unit anticipates the Elks Convention Parade, which it will lead off by invitation as escort to the chairman of the Convention, June 3, in Atlantic City.

In the highlight of their coutine, marching and twirling units perform especially for the student body at the Pop Rally

"For the Brown and Gold we're cheering!" The Drill Team helps the chestleaders sput on the Iron Mikes.

Calor Guard members, Monica Suydam and Geralyn Connelly, display their gun twitting talents as the band plays.

National Honor Society Sponsors Several Projects Here

"The candle of Service" is lighted by Marta Barszczewski at the Induction Coremony

Recognition for honor students and the opportunity to sincerely serve their school was initiated in 1968 with the establishment of the Monsigner McCorristin Chapter of the National Honor Society. Entrance into this society is based on four qualifications: Character, Service, Leadership, and Scholarship. Chosen by the faculty, each member is expected to exercise these qualities to the fullest degree possible.

Once a year, the students are formally inducted into the Honor Society by a candle-light ceremony usually held in November. Moderated by Sister Miriam Grace, the chapter initiated two main projects: Christmas gifts and a variety show during the holiday season for the aged at Morris Hall, and a tutoring program for all interested students.

Since the beginning, the society has grown not only in size but also in the number of projects engaged in. Selling Christmas trees, serving at the Spaghetti Supper, lending a hand at the annual Carnival, and collecting for the Heart Fund, head the list of proposed activities for all members.

Honor Society officers: Anthony Sontucti, president; Richard Cortlidge, vice president; Marta Borszczewski, secretary; Mary Jone Malkin, treasurer

Newly Inducted member, Susan Sukotsky receives her membership card from Monsigner McCornetin

Disney World Delights; Gold Retains Trophy

It was a girls' world for a week at SA when Disneyland became the setting for the seventh annual GAA Show in early fall, Gold vs. Brown competed in a series of varied events. Spirits vied and friendships were tested as hard determination to win drove the girls on.

To create the "Wonderful World of Disney," colorful images of favorite animated characters dangled from cluttered gym walls. On the spacious floor, dancers and singers, clowns and tumblers charmed the audiences. Background music poured from the instruments of the Stage Band. Anticipating eyes were fixed upon the banners that marked the winning event, as thrilling chills and puzzled emotions seized the teams in a band of unity.

Then the four night battle ended as Pom Apgar's Gold Team triumphed over the Brown Team led by Claudia Astore, and the rivalry subsided for another year.

"Christmes Spectaculer." This navelty group, as Santa's elves, capture runner-up in best event and best costume.

"The winner is . . ." Maryanne lalacci, as Mist are of Caremonies, proclaims the winner of the proceeding exent of the seventh annual GAA Show

"Guess what we did?" It is obvious that the savages of "Jingo" captured both "best event" and best costume" in this year's GAA Show

"Wha's the leader of the gang?" Unda Parichy leads her Mouseketeers to another Gold victory.

Page editors unite. Nadia Kirzecky, Joseph Shekiro, Anthony Santucci and John Daugherty combine ideal to produce a good Antonian

Just off the press) The Antonian staff proudly display their finished product ready for distribution to the homercoms.

Busy Publications Teams Inform, Comment, Recall

Belonging to one of the publications staffs is a worthwhile and interesting activity. It is a painstaking task, but the results of a good production are its reward.

One of the very first projects initiated here in 1962 was the organization of a newspaper staff. Named the "Antonian" by the classes of '65 and '66 to honor the school patron, St. Anthony of Padua, the small newspaper grew from a mimeographed publication to its present printed issues. Its purpose is to inform the student body of activities around school as well as to provide an organ of student interest, comment, and opinion

The "Corristin" staff meets approximately four days a week after school, its members plan layouts, write appropriate captions, provide heads and copy, and put all their energy and talents into creating a memorable yearbook. The first "Corristin", named for our founder and director, Monsigner McCorristin, was published by the class of '65, the first to graduate from SA.

Not to go unmentioned is the "Talisman", a literary magazine first published in 1964 before SA could boost a senior class. This publication has consisted of representative prose and poetry composed by the English classes as a result of their assignments in written composition. This year, however, the magazine will include the works of the classes in creative writing, a new course initiated in 1971

Anything new or different? Staffers Beverly Myslinski, Maryanne Bucchi, Carol Davis and Lorie Murphy discum ideas for the '72 Correction

Top Photo — Craig Jez, editor-in-chief of "The Antonian," plans a coming edition of our school newspaper, Yearbook editor-in-chief, kynne Manteverde, assisted by Anne Normile, proofreeds captions for the Senior Section Center photo — Staff members of the "Corristia," Eleon Buckler, Judith Johnson, Adale Palombi, Jone Marini, and Joan Matera search for new ways to improve the '72 edition, Bottom photo — The candid camera caught "Corristia" sports writers with their spikes down. From the moment we entered high school, we looked forward to our senior trip — to the day when, like former seniors, we could make a "try" at conquering the slopes. On January 12 (almost), January 26 (not quite), and on February 29 (finally), our dream took form. 190 seniors braved the slopes at Buck Hill Falls, for a day few would forget!

Remember . . . the half-asleep seniors drowsily searching for their assigned bus . . . the so-called spacious and efficient fitting room for skis . . . those who never made it to the top of the hill because they kept falling off the lift . . . finding courage to go down the hill, once we were up there . . . dropping like flies as the ski lift ran with startling speed . . . making a splash landing at the top of the slope . . . the sledding hill that needed a ski lift . . . the demands for snow-mobiles, greater than the supply . . . the rush for quarters in the game room . . . the final relaxing atmosphere at the inn . . . and again, weary seniors returning home with nothing else to say to those at Buck Hill, except "thanks for the memories."

Once upon a time . . . On Freshman Night, Rosewary Cooper jokingly relates the stary of 'Prindecella.'

Thanks to the Snow; A Ski Trip at Last

As the senior trip comes to a close, Nina Piccolella, Denise McGlynn, Lelia McClonahan, Patti Giaquinta, Darrell Patalon, Mary Jo Scaringelli. Karen Rhodes, and Mary McCloskey pose for one lost picture before departing.

Looking back upon the past seven years of football, the seasons' records are unimpressive. The defeats outnumbered the victories. However, this is to be expected in a new, young team in their first ventures. The squads were mexperienced and were often hampered by injuries and untimely setbacks. As the years possed, the Mikes gained experience and knowledge, which finally culminated in an impressive record of 5-4, set by the team of '68.

What are the ingredients for a winning season? Strength and stamina, knowledge and strategy, the desire to continue in the face of defeat, and a small portion of luck. During the 1971 football season, the Iron Mikes possessed all the qualities — that is, almost all. Luck seemed to evade the Mikes in their pursuit of victory, as is illustrated by their 3-6 record. The Brown and Gold had an explosive start with three victories in a row. This included an inspired night game victory over our arch rivals, the Irish of Notre Dame

Suddenly the Mike machine started to falter, causing the Mikes to drop their next six games. Perhaps the dismal season can be blamed on the fact that many players had to play both defensive and offensive positions, thus causing them to tire early in the game. Another cause could be injuries to such key players as Mark Kozicz and Joe Shekira.

Despite the poor record, the Iron Mikes produced gridiron greats in Phil Besler, Pat Daoling, Joe Avanzato, and Tony Pantaleoni, who were nominated to the All-County Football Team.

Head Coach Tony Nittl intently watches his from Mikes perform on the gridiron.

The 1971 season proved disappointing for the Brown and Gold harriers as shown by their 1-12 record. Apathy over an almost winless season and a plague of injuries such as a cracked sternum, a bruised foot, a turned knee, and a bout with the flu prevented the team from operating at full strength.

Although there were more broken bones than broken records the team, with all its problems, still produced two cross country hopefuls in freshman Bob Chaty and sophomore Mark Abbot, who for their efforts were awarded honors and medals in the Mercer County J.V. Track Meet.

Providing the speed for the sprinters were Seniors Rich Small and Bill Lewis with speedsters Jim Dolan, Bob Weigand, and Mike Beach following close behind.

With the experience gained this year, Cross Country Coach Bruce White hopes and builds for a better season come next fall.

"Trentonian" All-Mercer County Soccer Team

Defending the Mikes' gool is Senior Booler Rick Dell

Although the Mike booters failed to achieve a winning season, it was a vastly improved SA soccer team which boasted a 6-7-2 record. After dropping their first three games, the Brown and Gold came alive and hustled to win six of the following nine matches. However, because of the early setback, the Mikes failed to qualify for the State Tournament.

Showing exceptional prowess on the field were Senior Bill Raney and Sophomores Bill Gazonas and Frank Bennett. Junior Barry Pelliteri was nominated to the Second Team of the Trentanian's All Mercer Soccer Team, while Seniors Rick Dell and Bob Apgar received honorable mention. Bob Apgar was also nominated to the third team of The Trenton Times' All-Area Soccer Stars.

All in all, the Mikes exhibited hustle, exceptional team play, and a desire to win. It was a fitting welcome home for returning Soccer Coach John Wagner, who had served two years in Vietnam.

Senior Fullback Tim Roomey boots one out to waiting teammates,

Lack of Height Too Much to Overcome As

Graquinto Mike Kawan Coach Daug Hice Absent for picture for Chester John 1876.

Hustle and determination were not enough to bring a winning season to the 1971-72 basketball squad. Lacking good overall height, the team fell to such powerhouses as top-ranking Ewing and Trenton, but did prove to be a worthy challenge to these giants by almost upsetting Ewing.

Although the Mikes could post only three wins, their efforts produced such standouts as seniors Dan Giaquinto, Bob Puhalski, Tom Szczepański, and Tom Mrazik. Nor was experience lacking in the reserves, as seniors Barry Chiorella and Jim Doyle were ready, willing, and able.

Lacking forward, the Brown and Gold should prove to once more be a basketball power through the aid of juniors Mike Kasian and Joe Chester, provided the Mikes can overcome the problem of a lack of height.

CEA apponent seems dazzled as Dan Giaquinto clears the boards.

Mikettes Boast Most Successful Season on the Court

For many girls, the dismissal bell marks the beginning of "another class"; namely, cheerleading practice or sports. This year again brought a variety of challenges to the girl athletes in the forms of basketball, softball, and volleyball

Participating in interscholastic games, the basket-ball team was scheduled to play a total of twelve games throughout the season. Spurred on by school spirit and supported by tolented players, the team was victorious over such schools as Notre Dame, Lawrence, Steinert, and Hamilton High, with the J.Y.'s adding Ewing to their list of victories as the Corristin goes to press. This was a banner year as the girls outdid the boys in victories on the court.

Real sports enthusiasm, laughter, and excitement are generated in the gym each winter season with the intramural volleyball games. Retaining its popularity, softball begins with persevering practice in the early spring months. Climaxed by the Annual Sports Banquet, the girls' sports agenda ends for the Brown and Gold athletes.

Seniors Bid Farewell to Halls of Saint Anthony — Adios . . . Au Revoir . . . Auf Wiedersehn.

CLAUDIA ASTORE PATRICK AULETTO RICHARD BACKES

One of our first assignments on entering Soint Anthony High was to memorize the combination to our lockers. This combination not only opened these "treasure chests" but also unlatched the doors of laughter and tears, gains and losses, thrills and joys of being young. Throughout the ten years of SA history, these lockers have had many a tale to tell as students used them and left them, locking their memories inside. Now after four years, we add our memories to the ever growing collection enclosed therein—memories of:

Hestant smiles on unfamiliar faces as we entered our freshman homerooms... mangled paper flowers pinned reluctantly on us to introduce our Freshman Day theme, "Flower Power"... girls mustering courage to ask their favorite boy to the Sadie Hawkins dance (the first and last, by the way)... getting used to new subjects and to changing classes

Our sophomore float that never quite made it to the Homecoming Game . . . and the Homecoming Game itself, uniting the past ten years in person and in memory . . . our most unusual assemblies, the Kreskin performance in junior year and "Mimica," the pantomime we saw in senior year . . . Issues raised during Student Council Election Day, '71 . . . then our most tangible school memento—our class rings received on Junior Day, and the tender strains of "Color My World" prevailing over our Hawaiian Paradise, the theme of our Junior Prom.

Memories of the spirited bonfires which sparked victories over Notre Dame and other rivals—(and the losses, well . . .) Stars and Strips flying over SA for the first time . . . the nervousness and pride which made up our final GAA show, and the lessons in sportsmanship which resulted . . . amateurs and "professionals" invading the ski slopes in January at Buck Hill in the Poconos . . . our Senior Prom, held in April—too late to be included in the "Corristin" . . . tears and final goodbyes, as we gather on June 5, for the last time as the Class of '72.

Through these four years of memories, perhaps the only souvenir that will remain of us here will be our lockers... And now, we close their doors for the last time, encasing in these long metal boxes our memories along with those of former students. We turn and walk away—our memories behind, the future ahead.
